**Students who aspire to obtain a Teacher Certification must abide by the rules established by the Puerto Rico Department of Education. The student may opt for any of the minor concentrations of the Teacher Education Program and must meet the required academic index of 3.00 points or more. Students who aspire to obtain this minor concentration may belong to any academic program offered at the Interamerican University of Puerto Rico, excluding PEM students. Students who aspire to obtain a Teacher Certification must consult with the PEM faculty, prior to declaring the minor concentration, in relation to the standards established in the Regulations of Certification of the Teaching Staff of the Department of Education of Puerto Rico because this minor concentration does not necessarily include all the requirements for the Certification of teachers.
