

Information for EPPs Granted Accreditation

Accreditation Council Decision

Accreditation is granted when the Accreditation Council determines that an educator preparation provider (EPP) meets all CAEP Standards, even if areas for improvement (AFIs) are identified in the final decision.

The full Accreditation Council makes all final decisions relevant to the CAEP Standards based on evidence submitted by the EPP, findings from the evaluation team, and sufficiency of evidence for each standard, and then acts upon the recommendations from the initial and joint panel reviews. The Council pays particular attention to consistency across all of the accreditation decisions.

The Action Report is the official record of your accreditation status and should be used to review and guide your provider's efforts to continue to meet the CAEP Standards.

Consumer Information and Representation of Accreditation to the Public

CAEP requires accredited EPPs to provide consumer information to the public, including candidate performance data. Title II data must be publicly available on the website (Accreditation Policy V.1.01).

When representing its accreditation to the public, an EPP must report the accreditation decision accurately, including the specific academic or instructional programs covered by the accreditation, and the address and telephone number of the Council for the Accreditation of Educator Preparation as provided on the CAEP website. The official statement to be publicly displayed on the EPP's website is provided by CAEP following the Accreditation Council action, as defined by the CAEP Communication Guidelines. (Accreditation Council Policy IV.1.18)

The accreditation status and term will be posted on the CAEP website at:

Annual Reports

All EPPs must submit an Annual Report each year in order to maintain accreditation or accreditation-eligibility. The report is opened for entry each year in January and EPPs are given 90 days from the date of system availability to complete the report (Accreditation Policy V.3.01).
